Policy

1. Nature of Complaints and Appeals

• VOCA responds to all allegations involving the conduct of:
  – The RTO, its trainers and assessors and other staff.
  – Any third party providing Services on behalf of VOCA.
  – Any student or client of VOCA.
• Complaints may be made in relation to any of VOCA’s services and activities such as:
  – the application and enrolment process
  – marketing information
  – the quality of training and assessment provided
  – training and assessment matters, including student progress, student support and assessment requirements
  – the way someone has been treated
  – the actions of another student

• Appeals should be made to request that a decision made by VOCA is reviewed. Decisions may have been about:
  – course admissions
  – refund assessments
  – response to a complaint
  – assessment outcomes / results
  – other general decisions made by VOCA

2. Principles of resolution

• VOCA is committed to developing a procedurally fair complaints and appeals process that is carried out free from bias, following the principles of natural justice. Through this policy and procedure, VOCA ensures that complaints and appeals:
  – Are responded to in a consistent and transparent manner.
  – Are responded to promptly, objectively, with sensitivity and confidentiality.
  – Are able to be made at no cost to the individual.
  – Are used as an opportunity to identify potential causes of the complaint or appeal and take actions to prevent the issues from recurring as well as identifying any areas for improvement.

• VOCA will maintain a record of all complaints and appeals and their outcomes on the Complaints and Appeals Register, which will be securely stored according to the Privacy Policy and Procedures.

• Nothing in this policy and procedure limits the rights of an individual to take action under Australia’s Consumer Protection laws and it does not circumscribe an individual’s rights to pursue other legal remedies.

• Where a student chooses to access this policy and procedure, VOCA will maintain the students’ enrolment while the complaints/appeals process is ongoing.

3. Timeframes for resolution

• Complaints and appeals will be finalised as soon as practicable or at least within 30 calendar days unless there is a significant reason for the matter to take longer. In matters where additional time is needed, the complainant or appellant will be advised in writing of the reasons and will be updated weekly on the progress of the matter until such a time as the matter is resolved.

4. Records of Complaints and Appeals

• VOCA will maintain a record of all complaints and appeals and their outcomes on the Complaints and Appeals Register which is stored securely on our internal file management system. If a complaint or
appeal involves a student or staff member, details will also be held on the relevant secure file which only authorised staff have access to.

5. Making a complaint or appeal

- Complaints about a particular incident should be made within 90 calendar days of the incident occurring and appeals must be made within 30 days of the original decision being made.
- Complaints and appeals should be made in writing using the Complaints and Appeals Form, or other written format and sent to:
  
  Director  
  VOCA  
  10 Garden Street  
  South Yarra VIC 3141  

- When making a complaint or appeal, provide as much information as possible to enable VOCA to investigate and determine an appropriate solution. This should include:
  - The issue you are complaining about or the decision you are appealing – describe what happened and how it affected you.
  - Any evidence you have to support your complaint or appeal.
  - Details about the steps you have already taken to resolve the issue.
  - Suggestions about how the matter might be resolved.

- Complaints and appeals will be acknowledged in writing via email or post. Acknowledgement should be received within 7 days of lodgement.

6. Resolution of Complaints and Appeals

- Some or all members of the management team of VOCA will be involved in resolving complaints and appeals as outlined in the procedures.
- Where a third party delivering Services on behalf of the RTO is involved, they will also be included in the process of resolving the complaint or appeal. Additionally, where a complaint or appeal involves another individual or organisation, they will be given the opportunity to respond to any allegations made. They will also be advised in writing of any allegations made against them.
- In the case of an assessment appeal, an assessor who is independent from original decision will assess the original task again. The outcome of this assessment will be the result granted for the assessment task.

7. Independent parties

- VOCA acknowledges the need for an appropriate independent party to be appointed to review a matter where this is requested by the complainant or appellant and the internal processes have failed to resolve the matter. Costs associated with independent parties to review a matter must be covered by the complainant/appellant unless the decision to include an independent party was made by VOCA.
- The independent party recommended by VOCA is Melbourne Commercial Arbitration and Mediation Centre (www.mcamh.com.au) who have a cost of $950 per matter, however complainants and appellants are able to use their own external party at their own cost.
  - VOCA will provide complete cooperation with the external mediator investigating the complaint/appeal and will be bound by the recommendations arising out of this process.
8. External complaint avenues

• Complaints can also be made via the following avenues:
  - National Complaints Hotline: The National Training Complaints Hotline is a national service for consumers to register complaints concerning vocational education and training. The service refers consumers to the appropriate agency/authority/jurisdiction to assist with their complaint. Consumers can register a complaint with the National Training Complaints Hotline by:
